Press Release

ICFAI University to adopt Outcome-based Education System

July 12, 2016

ICFAI University Jharkhand will adopt Outcome-Based Education System for all of its programs from 2016-17 academic years onwards. It will involve defining outcomes of each program and then define outcomes of each course/subject and devise the teaching methods accordingly. Outcomes include knowledge and skills acquired by the students after the program/course.

After chairing the Board of Studies meeting today, Prof ORS Rao said, “Outcome-based Education will align the Teaching-Learning-Assessment in line with the learning outcomes expected by the industry. It will help in bridging the gap between the industry expectations and competence levels of the students, thereby improving the employability of our students”. “It will also help in devising teaching methods according to the profiles of the students, thereby enhancing the learning effectiveness of the students”, added Prof Rao. “We are taking the feedback from all employers that visited us for campus placements so as to identify the outcomes of our programs”, added Prof Rao.

All the faculty members of the University and Deans of the University participated in the meeting.

About the ICF AI University Jharkhand: The ICF AI University, Jharkhand (IUJ) belongs to the ICF AI University Group (IUG), which pioneered Professional Education in India. IUJ was established under ICF AI University Act, 2006 (Jharkhand Act 08, 2007), which was passed by the State Legislature of Jharkhand and was notified by Government of Jharkhand on 17th June 2008. The University was empowered by UGC vide its letter dated 1st Dec2009 to award degrees under Section 22 of UGC Act, 1956. IUJ is committed to grooming its students into Competent Professionals, with Good Personal Values and Ethics.

IUJ offers a range of vocation oriented Under Graduate and Post Graduate programmes, which include, MBA, B Tech, BTech (Lateral entry) BBA , BCom (Honours) , BCA and Diploma in Technology(Polytechnic). The University has decided to introduce, MCom with Industry Practice 2016-17academic session. In addition, Civil engineering and Mining engineering branches will be offered in BTech and Diploma from 2016-17 academic year. Besides excellent infrastructure like well furnished class rooms, laboratories, workshops and library, IUJ has well qualified and experienced faculty members. Special features of IUJ programs include Contemporary curriculum, Summer Internships with industry, Live projects, Technology Enhanced Learning and Campus placement assistance.
