

The Institute of Chartered Financial Analysts of India University, Jharkhand Press Release

New batch of PhD course in Management inaugurated at ICF AI University

Ranchi, 15th June 2015

Today, Course Work Session for 2015-19 batch of PhD Program in Management (Part Time) was inaugurated at the ICF AI University, Jharkhand. Twenty Scholars from various locations like Bangalore, Jamshedpur, Kolkata, Patna, Pune, Trivandrum, besides Ranchi, joined the program. Currently, they are working in reputed organizations like Accenture, BSNL, HP, Novartis, Phillips Carbon Black, SAIL, Sante Vita Hospital, Vodafone, besides well known Educational Institutions like ISM, LN Mishra College of Business Management, NICMAR etc. A number of them have Post Graduate qualifications in multiple disciplines.

Welcoming the participants, Prof ORS Rao, Vice-Chancellor of the University said, “The fact such highly qualified and experienced professionals from across the country decided to pursue PhD at our University is an indication of the quality of our PhD programs”. “It is also gratifying to note that they are passionate about doing research in areas relevant to industry and society”, added Prof Rao. Addressing the scholars, Dr KK Nag, Member, Board of Governors of the University advised them to be passionate about the topic and work hard so that they can unravel new knowledge. “Curiosity like a child is critical for a researcher”, added Dr Nag. Dr AA Khan, Member, Board of Governors of the University advised the scholars to make use of the heterogeneity of the fellow scholars to learn things from each other. “Diffusion, disorder and symmetry will bring new insights”, added Dr Khan. Dr B Prasad, Member, Board of Management of the University appreciated the efforts of the University to create an excellent platform for research for scholars from diverse backgrounds, Dr Hari Haran, Academic Advisor of the University said that PhD makes a person more analytical and well rounded so that he can solve professional and personal problems. Dr SC Swain, Asst Dean (Research and publications) explained about the program and how they can make the best use of their time at the University. Dr BM Singh, Registrar of the University proposed a Vote of Thanks. A number of faculty members and students also attended the program.
