

Prof ORS Rao invited to speak at World Education Summit on “Internationalization of Indian Higher Education”

Prof ORS Rao ,our Vice-Chancellor was invited to speak at World Education Summit held in New Delhi on 22nd Aug 2015 on “Internationalization of Indian Higher Education”. Addressing the participants , Prof Rao said ,” Contrary to the popular notion that globalization of higher education benefits only the large and premium Higher Educational Institutions to expand, internationalization will improve quality of education and enable it to cater to the changing aspirations of the students. However, it needs collaboration with the global HEIs so that the benefits can be harnessed in a sustainable manner”. Prof Rao orchestrated six possible areas for collaboration , which include Design of Innovative Courses, Teaching-Learning-Assessment Processes, Digital Learning Technologies, Delivery of skill intensive courses, Entrepreneurship and Inter-disciplinary Research.
