IUJ to adopt Outcome-based Education System  July  12, 2016

CFAI UNIVERSITY TO ADOPT OBES

CFAI University, Jharkhand will adopt Outcome-Based Education System (OBES) for all of its programs from 2016-17 academic year onwards. It will involve defining outcomes of each program and then set outcomes of each course/subject and devise the teaching methods accordingly. Outcomes include knowledge and skills acquired by the students after the program/course. All the faculty members of the University and Deans of the University participated in the meeting and have given their consent.
