## The ICFAI University, Jharkhand

The ICFAI University, Jharkhand is a part of ICFAI Group that is well known for its quality of education and ethics. It is the first Private University that was set up in Jharkhand, as per the State Legislative Act and is recognized by UGC, as per Section 2(f) of UGC Act, 1956. The University offers a range of Under-Graduate, Post-Graduate and Doctoral Programs in Engineering, IT, Law and Management disciplines.

In view of its commitment for producing quality research, the University started offering part-time Ph.D. Program in Management for Working Professionals from 2012. Besides compliance with UGC Regulations 2016 and all further guidelines, the University follows stringent processes in selection of candidates to evaluation of the theses. In view of the above, the University has been attracting experienced professionals from reputed organizations in industry, academia, defense, government, etc., from across the country. The Ph.D. Scholars of the University have been passionately working on research problems, relevant to the Industry and Society. The University supports its Ph.D. Scholars by way of quality guidance, access to digital libraries, seminars, workshops, etc. So far, twenty three scholars were awarded Ph.D. Degree by the University.

## About the Workshop

Research writings are time-consuming and complex assignments which can be made easy and hassle-free with better understanding of the requisites, proper guidance, and support. This workshop is planned in an objective to support the research fraternity in writing quality contents. The sessions are planned in such a way that it would help the researchers to effectively draft their thesis which meets and exceed the standards. Also, the sessions will support the researchers in understanding the practices followed in writing a research paper for journals and making it eligible for acceptance in highly indexed journals.

### Learning Objectives:

After attending the Workshop, the participants will be able to:

- ⇒ Understand the process involved in converting the research ideas into articles.
- ⇒ Review literature in a Smarter way and use the same in the article through proper citation.
- ⇒ Identify the common errors in writing an article and the different ways through which plagiarism occurs.
- ⇒ Develop an article which would meet the basic expectation of a reputed journal.
- ⇒ Write a good PhD Thesis.
