

Need for Academia-Industry Collaboration to enhance employability of students – Oct 23, 2020

The screenshot shows a Zoom Webinar interface. The main content is a presentation slide with the following text:

- The ICFAI University, Jharkhand** **ICFAI UNIVERSITY**
- Grooming Professionals. With values*
- स्वागत
- Promotion of Higher Education in Jharkhand**
- Oct 22, 2020**
- Prof O R S Rao**
Vice-Chancellor
ICFAI University
Jharkhand

The chat window on the right contains the following messages:

- From Dr. Supriyanshu to all panellists and attendees: Great achievement by a child.
- From Dr. Supriyanshu to all panellists and attendees: Congratulations Aditya and best wishes for your next adventure!
- From Krishna murali to all panellists and attendees: It is very important to attract talented faculty from industry like foreign universities as I have seen in IAS, Toulouse France in 2014 and 2019.
- From Krishna murali to all panellists and attendees: AICTE also like collaboration, recognize the credits in higher education.
- From Prof. O R S Rao to all panellists and attendees: insightful message from Dr Paritaj Mittal on the preparation needed to implement NEP-2020 successfully.
- From Krishna murali to all panellists and attendees: Minimum number of students is possible only when a University is able to attract that many students.
- From Krishna murali to all panellists and attendees: Prof Agarwal has really brought of importance personal characteristics in a profession brought out.

The Zoom interface also shows a recording status, a search bar, and system icons at the bottom.
