

Opportunities and Challenges for Higher Education in Jharkhand - October 21, 2016

Prof ORS Rao ,our Vice-Chancellor was invited to speak on "Opportunities and Challenges for Higher Education in Jharkhand" at Jharkhand Education and Skill Summit held at Ranchi on 21st Oct 2016.

He explained that if courses that can make local students employable are offered and Quality Education is provided, there is no dearth of opportunities in Jharkhand. He illustrated the same point by giving the example of how senior managers working in reputed companies (like IBM, Cap Gemini, Accenture, Dr Reddy's Labs, RBI ,TCS etc) all over the Country come to ICFAI University in Ranchi to pursue part-time PhD program.
