

Parents - Teachers Meet IUJ Campus - February 16, 2017

Addressing the parents, Prof ORS Rao, Vice-Chancellor of the University said, “ The purpose of the meeting is to share with you the activities of the University and steps taken to improve quality of education, as you are the major stakeholders in the progress of your children”. Prof Rao highlighted that during campus placements conducted, so far, 12 companies visited the University for campus placements and 20 students were selected by reputed companies like Reliance Communications, SafeChem, Concentrix, GENPAC , Shoppers Stop etc . 31 students were short listed by various companies and final results are awaited. BBA and BCA students received salary offers ranging from Rs. 10,000 to Rs. 25,000 per month and for MBA students, it was from Rs. 25,000 to Rs. 45,000 per month”, added Prof Rao.

Explaining the efforts taken by the University to make the students more employable, Dr BM Singh, Registrar of the University said, “In order to impart hands-on skills, our BCA and BTech students are required to go through semester-long internship in industry, starting during current month. We are happy that all the students were allocated companies for the Internship and over 42% of our students got stipends ranging from Rs. 3,000 to Rs. 10,000 per month.”

During the function, top rankers of all programs were awarded medals and certificates.

The parents appreciated the initiatives of the University to improve the quality of education and assured their co-operation to the management. Dr BM Singh proposed a vote of thanks. Faculty members, staff and students participated in the function.
