ICFAI University organizes quiz competition

Ranchi: ICFAI University Jharkhand organized a quiz competition at its Faculty of Science & Technology Campus, near Harmu Road on Thursday. A total of 64 students participated in the competition. A large number of enthusiastic spectators were also present to witness the ebullient group of participants.

Chandan Kumar (B.Tech, ECE) and Ritesh Prasad (B.Tech, Mech) were the winning group from Faculty of Science Technology. Meanwhile, the second prize was claimed by the students of B.Tech

(Mech) of FST, the group consisting of Kaushal Singh and Ravi Kumar Singh.

ORS Rao, Vice-Chancellor, ICFAI University Jharkhand in his message conveyed best wishes to the students and participants and termed such an event as the best means of character building and encourages team spirit and exhorted them to focus their energy into creative and positive activities. He stressed the students to integrate themselves with the main stream of the country for a better and bright future of the society.
