RANCHI: The ICF AI University, Jharkhand (IUJ) welcomed its new students along with their parents and guardians on its campus on Thursday.

A number of parents and guardians attended the event to "welcome 2014 batch students and their parents."

Speaking on the occasion, vice-chancellor Prof ORS Rao said that IUJ is committed to grooming students into competent professionals by imparting knowledge, professional skills and soft skills.

He advised students to be dis-

ciplined, punctual and focused.

Member board of governors, IUJ K K Nag pointed out the value of education and ethics and highlighted the importance of character building.

Registrar B M Singh welcomed parents and guardians and invited them to share their experience.

Parents appreciated the efforts of the university to organize the function.

Prof AS Prasad (associate dean, FMS), Prof Madan Prasad (associate dean, FST), S C Swain (assistant dean, FMS) and faculty members, University officials, and senior students took part in the function.
