*It gives us immense pleasure to bring the fifth edition of monthly e- Newsletter 'e- Palaash' for the month March 2020. This issue has added new flavor like news on awards, industry connectivity and many more. The University nurture research-based education and for promoting it, the university organized a series of seminars and conferences like "FinTech Conclave" on February 12, 2020, Conference on "Data Privacy and Cyber Security Laws in India" on February 15, 2020, and Conference on "Digital Transformation for Socio-Economic Development of Rural India" in association with NABARD held on February 25, 2020. These were theme-based seminars that provided a platform for budding managers, advocates and engineers to hone their skills in multiple fronts.*

*It is a matter of proud that ICFAI University, Jharkhand is associated with "Unnat Bharat Abhiyan" a project under Ministry of Human Resource Development, Government of India. Under this context, the University aims to bring the transformational changes in rural development processes in the nearby Villages. Both the faculties and students are actively involved in conducting village as well as household survey. It is a matter of proud that our university has been selected by National Bank for Agriculture and Rural Development (NABARD) to carry out the TDF programme to promote the integrated development of tribal families.*

*We congrats our PhD Scholar, Mr. Abhay Kumar Sinha, Mr.Susmit Roy and Mr Ajobh Kumar Dubey for successfully completing Ph.D from Faculty of Management Department. We are delighted to apprise to our readers that our University organized activities in the diverse field such as Rangoli competition, painting, poster, skit competition etc.*
