Prof O R S Rao, VC of ICFAI University receives award for 'Outstanding Contribution to Education'

During the Webinar on 'Excellence and Leadership in Education' held on 16 April 2021, Prof O R S Rao, Vice-Chancellor, ICFAI University, Ranchi, has been conferred Golden Star Award for 'Outstanding Contribution to Education', in recognition of his contribution to Higher Education. Criteria considered for the award include: Strategic Academic Innovation, Adoption of Technology in Education, Integrity and Ethics, Track Record, Process Management, Quality of Education provided.

Expressing his gratitude to the organizers of the Webinar and the awards function, Prof O R S Rao said, "The University responded smartly to COVID-19 pandemic by adopting digital educational technologies for teaching and learning. The adopted breakthrough Digital Learning Management System, due to these initiatives, encouraged students to enroll. The number of students enrolled has exceeded 100,000. Professionals, who have been working in various sectors, have been working in various roles to support organizations in India and abroad.

During the webinar, Prof Rao also addressed the students and faculty members of the ICFAI University, Ranchi. He said, "The ICFAI University is committed to providing quality education to all students. We are also thankful to the ICFAI Society for the support being provided in our academic endeavours. Today's world is a global village and it is our duty to provide the best possible education to our students."

Webinar on 'How to choose careers after Class -12' held at ICFAI University

RANCHI: A webinar on "How to choose careers after class-12" was organized by the ICFAI University, Ranchi, in collaboration with ikedai.com, wherein a number of students participated enthusiastically.

Addressing the webinar, Prof O R S Rao, Vice-Chancellor of the ICFAI University said, "Every student that is completing class-12 is faced with the dilemma of "Which career?" and "Where to study?". These are crucial decisions, which will affect the future career of the students. "After class-12, you have career choices, which include Engineering, Management, IT, Accounts, Law etc. If you study well, you can be successful in any career of your choice. However, please choose the course depending on your own interest, rather than any other considerations".

Prof Rao added, "Lateral course curriculum, Quality of teachers, Technology enabled pedagogy, overall personality development, industry interface and campus placements are the important aspects to be considered while selecting the institution to study".

Underlining how the ICFAI University is grooming its graduating students into successful professionals, Prof Rao said, "In line with the advances in IT and digital career opportunities, this year, our University is offering B.Tech in Data Science and Artificial Intelligence. Despite COVID-19 situation, we are able to provide quality education and impart hard-core skills due to deployment of technologies like Smartway, Digital Learning Management System, Virtual Labs for B.Tech and DTP (Distance Programs, Online Eco projects and Internships etc. Now-a-days most of the campus placement interviews are happening through Video Conferences. A number of our graduating students, including students of BBA, B.A., B.Com, MBA and MCA programs, got placed in reputed companies like Bajaj, Axis Bank, Reliance Retail, Vedanta, JSM, etc."

Prof Rao also clarified a number of queries posed by the students.
