During a virtual interactive meeting with the students and employees of the university today, Prof O R S Rao, Vice-Chancellor of the ICFAI University asked them to spread positivity, to counter COVID-19. The university plans to create an online platform to facilitate sharing inputs and advice on critical aspects like testing, hospitals, online doctor consultation, supply of medicines etc. on the basis of own experience. This will enable access to reliable information in time and also respond to requests for any needed help immediately
