Vice Chancellor mentoring the students that aspire to be Entrepreneurs , the University offers such students “One-to-one sessions with the Vice-Chancellor.

Mr. Sumit Kumar Singh from BBA – 6th semester , under the advice of Dr. Goutam Tanty, took advantage of it on 23rd Jan 2020, wherein he briefed the VC his plan to start a petrol Pump in his native place. The VC suggested to him to provide for Charging Electrical Vehicles also in his Petrol Pump, as in the next 5 years, Electrical Vehicles may constitute 15% of the vehicles. Impressed with the advice, Mr. Sumit Kumar readily agreed to include it in his proposal”.
