Guests Name HOST, DAY 20... JIS University

How to move ahead?

- To take stock of the current status of Literacy thru Census
- Do a Diagnostic Study and understand the issues
- Understand the Learnings out of the earlier initiatives
- To be implemented in a Mission Mode
- Discuss with all the Stakeholders (including State Govts)
- Specific Target beneficiaries and Objectives to be set
- Linkages to be established between all concerned ministries (Education, Rural Development, Labour, Agriculture, Finance etc)
- To Finalize Organization Structure, Funding Partnerships, Role of Various agencies (like NGOs and MOs) and Implementation plan
- **Important area , which can ensure demographic dividends**
- **Detailed Planning and Meticulous implementation critical for the success, due to the complexity of the issue**
- Take the initiative forward as an Ongoing Journey ...
