SWADHYAY is a Self-Study Digital Learning Portal, developed by the ICFAI University, Jharkhand, to facilitate its students to learn by self-study, at any time, from anywhere. During the Lock-Down of Jharkhand State, it enables its students to continue their studies, without any interruption.

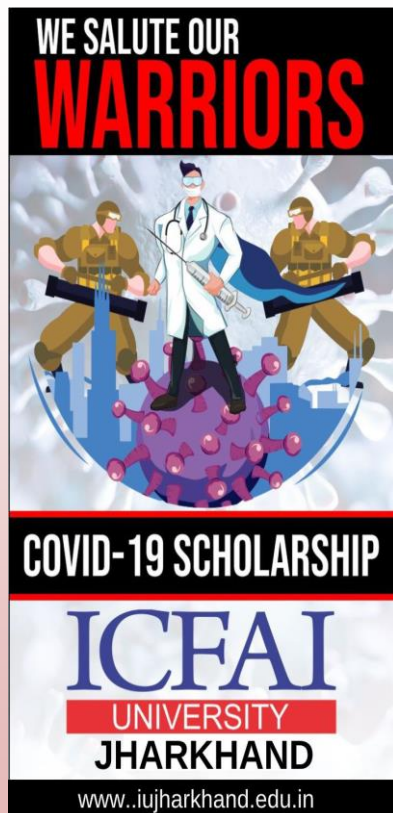

The students of the University can continue their studies for the current semester, by going through the digital course material that is uploaded on the in-house SWADHYAY Portal. Besides, all the course material is developed by the faculty members of the University

The Digital Content in SWADHYAY consists of PPTs, Bullet Notes, Case Studies, Video Links, assignments etc. After studying the course material on the portal, students are required to take an online Quiz so that they get feedback on their learning.
