<https://bit.ly/3dJReAW>

Due to the COVID-19 situation, the University has arranged for the Online test for RAT-2020 so that it can be taken by the candidates from their homes.

The RAT 2020 will be conducted under Technology-enabled Remote Proctoring to maintain the integrity and sanctity of the examination. Remote proctoring software is driven by Artificial Intelligence and any suspicious movements / actions by the Examinee will be detected and appropriate penal actions will be triggered.

For more details, visit
