Believe.....

You look in the mirror and

You don't like what you see

The person between back at you

Is not you want to be

You see a failure

A person doesn't deserves love

You started to give up on yourself

You think that there is nothing left

But you forgot something

You are a kind work of art,

You are a masterpiece,

You forgot about the strength within you

You have so much inside

You deserve more than enough

Only have to do is believe in yourself

Always remember faith can move mountains

You can do everything

They said you couldn't do

Don't give up on yourself

Just believe in yourself

You see your traumas, you see scars,

You see your flaws, you see your pain,

You see a past, you know the story behind it

That is all enough you not liable to give any explanations.

No one can take your light,

Even when the darkness comes,

You will win the fight.

Always remember that you are a girl,

And your enough for yourself
