

ICFAI LAUNCHES COVID CARE INITIATIVES

Under the banner of ICFAI University Jharkhand CARE Whatsapp group, our students have been doing a great service by sharing verified COVID-19 related health care information (like diagnostic centres, doctors, hospitals, medical supplies etc). They also have been responding to requests for plasma donors and other queries.

Let us appreciate their dedicated efforts.

Donation of A(-) blood to 2 day old baby by ICFAI Students

For a baby ,born on 12th May 2021 at Janya hospital ,Pundag , Ranchi , two units of A (-) blood was urgently needed.

Blood from a blood bank was transfused but it did not work out. So an SoS for FRESH blood was raised by Dr Taraknath Paul, one of our faculty members. Our MBA student, Mr Shobhit Gupta, supported by other students arranged for 2 units of blood within 24 hours . It included one unit donated by Shobhit himself. Now, the baby (in the attached pic) is doing fine .

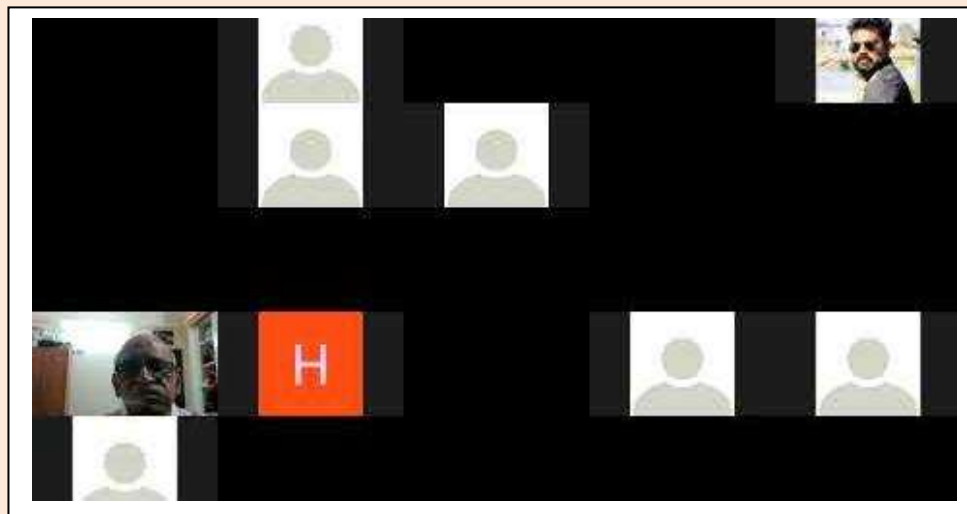

This humanitarian life-saving service by the students of ICFAI University, Jharkhand is highly commendable.
