

Social Service Initiatives

Under MAANAVATA, A Social Service Program of ICFAI University, Jharkhand; blankets were distributed amongst the needy ones under the leadership of Prof. O R S RAO, Honorable Vice-Chancellor

A three month Paramedics training program is being organized by ICFAI University, Jharkhand in collaboration with Bosch India Foundation to provide entry level skills in health services to rural youth. After completion of 2 months training at the University, students are placed in health care service organizations for on-the-job training/internship.

Even before the completion of the training programme, eighteen out of 25 students received placement offers in reputed home healthcare companies like Portea Medical, Care at Home etc.

Employees of ICFAI University, Jharkhand under the leadership of Prof. O R S RAO, Vice-Chancellor donated various medical equipment to K.C. Roy Memorial Charitable hospital, located in Circular Road, Ranchi, on the eve of 10th death anniversary of Late N J Yasaswy, the founder of the ICFAI Group. Welcoming the team from the ICFAI University to the hospital, Dr Subir Kumar Pal, President of the Hospital said, "Our hospital has been offering free medical services, including diagnostics, medicines as well as in-patient treatment to the poor people. Equipment donated by the University will help in conducting surgeries and cardiac care to the patients.

Swami Bhaveshananda ji ,Secretary,Rama Krishna Mission Ashram appreciated to the services being rendered by the University to the society.

Caring to save precious life during COVID Times

An act of caring...saves the life of a 41 year old woman , who urgently needed AB(-ve) Convalescent Plasma . A Donor was identified in Gumla and was persuaded to come to Ranchi for donation...

A woman, aged 41, was admitted in BhagawanMahavirMedicalHospital in Ranchi on 14th May 2021. As all other treatments did not show any improvement ,doctors indented for two units of AB(-ve) Convalescent Plasma. As it is a rare blood group, our students faced challenges in locating a donor. Within 24 hours, a donor was identified in Gumla, who was persuaded to travel 94 km to Ranchi for donation. Thanks to the donor and the students of ICFAI University, Jharkhand, Transfusion could be done successfully.

Caring to save precious life during COVID Times

An act of caring...saves life of a baby that has just stepped into this world.....

For a baby that was born on 12th May at Janyahospital ,Pundag, Ranchi , two units of A (-) blood was urgently needed. Blood from a blood bank was transfused but it did not work out. So,an SoS for FRESH blood was raised by Dr Taraknath Paul, one of our faculty members. Our MBA student, Mr Shobhit Gupta, supported by other students arranged for 2 units of blood within 24 hours . It included one unit donated by himself.
