Commencement program for the Paramedics Training - Care Giver Program organized by ICFAI University Jharkhand in association with BOSCH on 27th August, 2021

Paramedics Training Program for imparting entry level skills in healthcare to rural youth was inaugurated at ICFAI University, Jharkhand

The program is organized by the University in association with BOSCH India Foundation. Welcoming the participants, Prof O R S Rao, Vice Chancellor of the University said, "In the current times, due to nuclear families, wherein both spouses are working, there is hardly anyone at home, to take care of ailing children, old parents/ in-laws. While demand for paramedics healthcare services like professional Care Givers, there is lack of trained workforce. In view of this, the ICFAI University, in association with BOSCH India Foundation, started the program to train the rural youth as professional Care Givers. ." "This is yet another initiative of the ICFAI University for Social Outreach Services. Besides providing livelihood to the rural youth, this program helps to meet the paramedical needs of the needy sections of the society, thereby giving a lot of satisfaction."
