SEND A **disrupting FLN** STORY

DEVI SANJHAN
LITERACY FOR ALL

Dr. Subrato Kumar Dey, Associate Professor, ICFAI University Jharkhand invited as Chief Guest and Keynote Speaker in SDG Summit 2022 India International on Quality Education.

Congratulations Sir to you on your special achievement from ICFAI Family

A working model of Electrical Vehicle was developed by BTECH students of ICFAI University Jharkhand under the guidance of Dr Rajesh Prasad and Prof. Manohar Singh ,Faculty of the University

Congrats to Mr. Akash Kumar Singh, Mr. Prakash Kumar and Mr. Ravi Kumar ,who designed and developed a “Working Model of battery-operated Electric Vehicle”. It is an interdisciplinary and challenging project, involving Mechanical, Electronics and Computer Science.
