#### **Students demonstrate working models at Engineers' Day celebration at ICFAI University**

Engineers' Day was celebrated at ICFAI University, Jharkhand through Video Conferencing. Dr. Rana Subhasis Chakravarty, Director Marketing & Director (Production- Additional Charge), Heavy Engineering Corporation (HEC) Ltd. was the Guest of Honour for the function. Students of the University show-cased working engineering models in areas like garbage-to-energy, rocket launcher, Underground Coal Mines etc. and displayed posters designed by them on Engineers' Day theme. Also some students spoke on "how technology was deployed effectively during COVID-19 pandemic". A quiz on general science was conducted.

Welcoming the guests to the function, Prof O R S Rao, Vice-Chancellor of the University said, "Today we pay homage to Bharat Ratna MVisvesvaraya for his contribution to the Nation Building through Industrialization. As a visionary Engineer and Leader, besides design of several irrigation projects, he was instrumental in setting up great institutions like Mysore Soap Factory, Bangalore Agricultural University and State Bank of Mysore etc. His clarion call to study local conditions in India before applying technology to solve problems is relevant today also. "All of us need to imbibe his life messages of hard work, sense of duty and character in our day-to-day life.", added Prof Rao .

Addressing the students, Dr. Rana Subhasis Chakravarty expressed his happiness with the impressive talents demonstrated by the students by way of the posters, engineering models and speeches on the theme. He explained how HEC is helping in Nation Building by providing critical equipment to organizations like ISRO. "During this COVID Pandemic, both individuals as well as organisations were adversely affected. Positive thinking is the only way to revive the health of the economy "said Mr Rana Subhasis Chakravarty.

Awards of recognition were given to the top 3 students in each category. Toppers that received awards in Poster making includes Mr Shravan Kumar (DIT) first prize for best poster on Geo-thermal energy, Mr. Shobit (MBA) second prize and Mr. Fatma Zannat (BBALLB) for third prize. In working model demonstration, Mr Aman Shresth (DIT) got first prize for simulation model on underground coal mine model, Mr Basudev Orao secured second prize and Mr. Akash Kumar (B.Tech) received third prize. Ms Siddhi Bora (MBA), Ms Riya Sinha (BBA) and Indrani Roy(MBA) received first, second and third prize respectively In the speech completion. In case of Science quiz competition the first prize goes to Mr Piyush Prakash(BBA), and the second and third prize awarded to Mr. Shubham Singh(BCA) and Mr. Aniket Harsh(BCA) respectively.

HoDs of the University have also addressed the students. Dr. Puja Hansdah, Faculty Mining Engineering anchored the event. Prof ArvindKumar, Registrar proposed vote of thanks.
