Campus Placements Season Starts at ICFAI University Jharkhand

Campus Placement Season started at ICFAI University, Jharkhand, wherein Prof O R S Rao, Vice-Chancellor of the University addressed all the final year students through Video Conference.

Explaining the challenges in the current job market for fresh graduates, Prof O R S Rao said, “Due to COVID-19 Pandemic, all the sectors of the economy are going through stress and disruption. All organisations are going through digital transformation. So, all of you have to acquire digital skills not only to get good campus placement but also to succeed as a professional. All students must know how to use Social Media, like Linked In, for professional networking and self-development”. “In order to enable you to build a successful career, a number of relevant self-learning modules are uploaded onto our Swaadhyay Digital Learning System. They include Digital Skills , Aptitude Tests, Participating in Group Discussions, Attending Personal Interviews etc “, added Prof Rao.

Addressing the students, Prof Arvind Kumar, Registrar said, “In view of the current unprecedented situation, our University is working on a number of innovative initiatives to ensure your career success, but you have to own your career and co-operate with the University”.

All the students expressed happiness with the new initiatives of the University. Prof Sumit Sinha, Faculty-in-charge Campus Placements and other faculty members also participated in the interaction with the students.
