Press Release

Industry Visit of ICFAI University students to MSEME Tool Room

Ranchi

4th Feb 2019

Mechanical Engineering students of ICFAI University, accompanied by Prof Arvind Kumar, Associate Dean, Faculty of Science and Technology, Prof Sumit Sinha, Faculty-in-Charge, Corporate Relations and other faculty members of the University visited Jharkhand Government MSEME Tool Room at Tatisilwai.

Senior Managers of the Tool Room, led by Prof MK Gupta, Principal of the Tool Room, guided the students to study the different types of machine tools and production facilities of the organization, which include sophisticated CNC machines.

Briefing the students on the purpose of the visit, Prof Arvind Kumar said, "The objective of the industrial visit is to expose the students to the practical aspects of Tool Design and Manufacturing so that they can understand how the teachings at the University are applied in practice".

Highlighting the special features of the Tool Room, Prof MK Gupta said, "Besides facilities for training, our centre has full-fledged design and manufacturing infrastructure for jigs and fixtures, dies, moulds, press tools gauges, precision tools etc".

All the students expressed happiness that they were benefited by the industry tour.
