Panel Discussion on “Industry-Academia Connect” held at ICFAI University

21st Feb 2019

A Panel Discussion on Industry-Academia Connect was conducted at the ICFAI University, Jharkhand at its Daladali Campus today on “ How Industry and Academia should work together for mutual benefit ?”.

Mr Animesh Nandan Sahay , Director ,NTCEL and former CMD, Mahanadi Coalfields, Mr KK Verma, Executive Director ,Jharkhand Bidyut Vitar Nigam (JBVNL), Mr Rajeev Kumar Gupta, CEO, Ranchi Mall and Mr Manoj Kumar Sinha, Regional Head, Shriram group were the guests of honour for the function.

Welcoming the audience on the occasion, Prof ORS Rao, Vice-Chancellor of the University said , “There needs to be a close and continuous connection between Industry and Educational Institutions for mutual benefit . Our University has been involving industry in the entire academic process, starting with curriculum design, academic delivery, live projects , internships and campus placements so that employability of our students is improved. Besides, our University has been offering educational programs like PhD program and MBA for the career growth of the Working Professionals by re-skilling. Today , we are launching two more programs for them, one-year PGDCA and 2–year Diploma in Technology (Electrical) ”.

Mr KK Verma, addressing the audience, said,” IT-enabled infrastructure is essential to improve efficiency and customer service. I am happy to note that the University has been offering programs, keeping in the future requirements of the industry. ”.

Addressing the audience, Mr Animesh Nandan Sahay said, “As job profiles are fast changing due to technology, all working professionals have to re-skill themselves so that they can survive and grow. I appreciate the initiative of the University to launch industry-relevant educational programs for working professionals”

Mr Manoj Sinha , who recruited students from the University through campus recruitments, explained the potential for careers in financial services. Mr Rajeev Gupta , whom guided the University students for projects using Block Chain Technology, advised the students to follow 5C formula for success , which include Competency, Courage, Confidence ,Communication skills and willingness to Change.

Industry Professionals, Students, faculty members and employees of the University attended the event . Vote of thanks was proposed by Dr BM Singh, Registrar.
