

ICFAI Student Bags award from ESRI – 24, 2017

Mr Varun Prakash, PhD Student of ICFAI University, Jharkhand recently received Second Prize at the ESRI User Conference held at Hotel Leela Ambience, Delhi on 19th and 20th January 2017. The award was given to him for his work on management of Geographic Information System (GIS) Technology at Reliance Energy . His entry was selected from more than 70 entries received in the Conference.

Congratulating Mr Varun Prakash on the achievement, Prof ORS Rao, Vice-Chancellor of the University, said , “ We are happy that Our PhD Scholars have been working on cutting-edge technology management areas ,which will benefit the society and the country”.

ESRI is one of the largest GIS Companies in the world. The ESRI India User Conference is the biggest event of GIS Professionals in India. GIS Technology is based on digital mapping and is used in various location-based technology applications like town planning, travel and traffic management, power distribution, telecom, natural resources, disaster management etc.
