Few Glimpse of ICFAT University Jharkhand Weekly Presentation Series by Faculty Members

Weekly Presentation Series by Faculty Members .

Speaker: Ms. Sachi Srivastava, Faculty of The ICFAT Law School

Topic: Informational Asymmetry in Front-of-Package Labeling and its Implications for Right to Health and Right to Information in India

□ **Date: 29th April 2026 (Wednesday)**

□ **Time: 04:30 PM**

The session provided insightful perspectives on how informational gaps in food labeling affect consumer rights, particularly in the context of health and access to accurate information. It stimulated meaningful academic discussion on regulatory frameworks and consumer protection in India.

Glimpse of the presentation delivered on 15.04.2026 by Prof. Sumit Kumar Sinha, ICFAT Management School, ICFAT University Jharkhand under the University's Knowledge Exchange Program, aimed at fostering academic enrichment and collaborative learning."The topic of his presentation was "Why Do So Many Incompetent Men Become Leaders?", inspired by insights from Harvard Business Review (HBR).
