Following this, Dr. Hemant Panda elaborated on the roadmap for the work to be undertaken. He outlined strategic steps, timelines, and responsibilities for various departments to ensure systematic preparation and continuous quality improvement. His discussion provided clarity on actionable measures and collaborative efforts required to achieve accreditation goals.

The session was highly informative and aligned the faculty and administration towards a structured and goal-oriented approach for NAAC readiness.

During the session, members of the Internal Quality Assurance Cell discussed key initiatives related to curriculum enhancement, research development, student support systems, and continuous improvement strategies. Emphasis was placed on adopting innovative practices, enhancing documentation, and preparing effectively for upcoming accreditation processes.

The Internal Quality Assurance Cell of ICFAI University Jharkhand conducted a meeting on 30th April 2026 to review the work in progress for Attributes 2, 3, and 4 and their respective matrices.

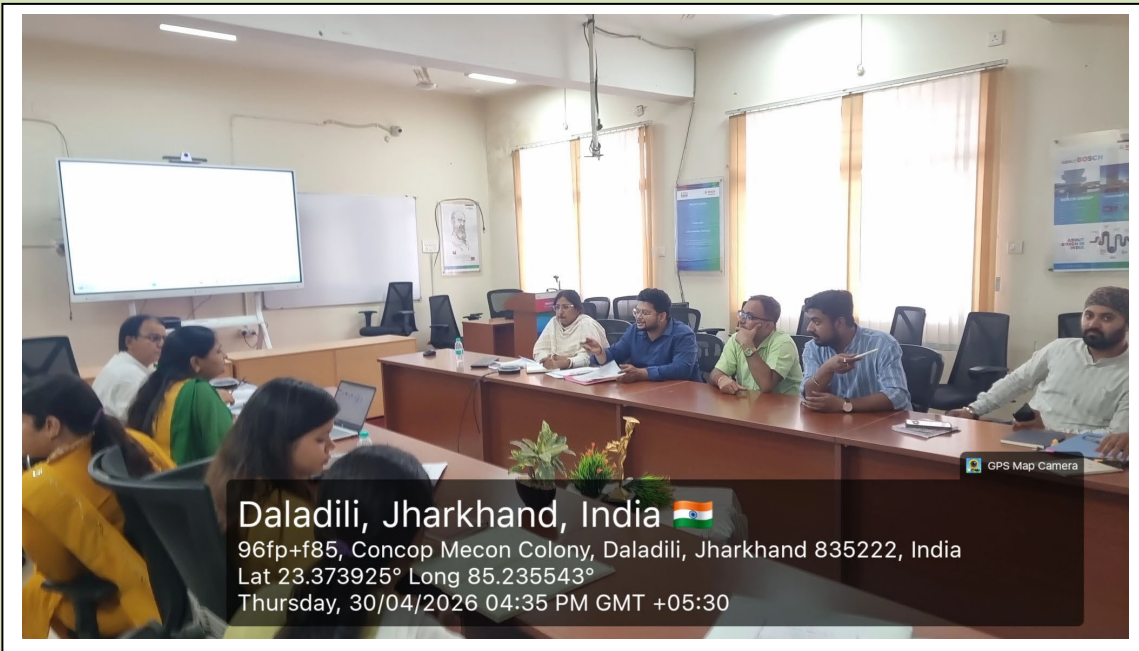

The review was carried out in accordance with the guidance of the Hon'ble Vice Chancellor during the meeting held on 23rd April 2026, and in compliance with the Binary Accreditation Framework Metrics for University Manual (circulated to all Heads of Attributes on 21st April 2026).

The meeting focused on:

- 1 Identification of the list of required documents (including hard copies) for the prescribed matrices as per the Manual
- 2 Verification of relevant data sources
3. Discussion on the further course of action and preparation of a structured roadmap

The meeting was conducted under the chairmanship of Dr Hemant Kumar Panda, Professor, IMS and Coordinator – IQAC, ICFAI University, Jharkhand, Ranchi.
