

Treasured Moments and Accolades

**Prof(Dr.) Raman Kumar Jha, invited as distinguished speaker at ERDA ,
Global Summit and Awards ceremony 2024**

Prof. (Dr.) Raman Kr Jha, Vice Chancellor of ICFAI University Jharkhand, addressed the 7th Industry-Academia Annual Conclave 2024, emphasizing India's potential with 70% of its population expected to be working by 2030. He highlighted key challenges in education, gender parity, and infrastructure despite the government's strides in boosting digital and physical frameworks.

Dr. Jha praised NEP-2020 as a transformative step for education but noted Indian universities' struggle with fostering innovation. He introduced the acronym PIC— Passion, Imagination, and Commitment—as a mantra for progress and urged learning from Lord Krishna's teachings on strategy and ethics. Advocating the revival of the Gurukul system, he called for blending ancient wisdom with modern needs.

His message underscored innovation, inclusivity, and cultural integration as pillars for India's sustainable growth.
