

## Research and Academics

ICFAI University Jharkhand Accelerates Digital Transformation ✨  
Two-Day "Digital 1.0" Workshop & ERP Implementation  
15–16 December 2025 | 📍 Ranchi

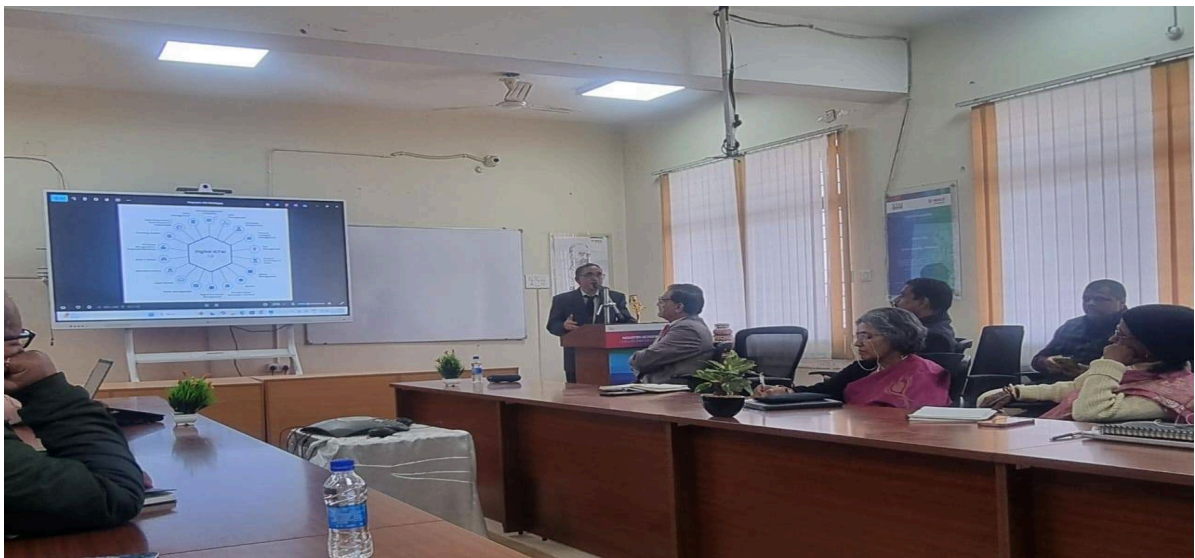

ICFAI University Jharkhand is successfully organizing a comprehensive two-day workshop on Digital 1.0 on 15–16 December 2025, marking a significant milestone in the University's journey toward digital excellence and smart campus transformation. The workshop introduced a fully integrated Enterprise Resource Planning (ERP) system, aimed at strengthening academic, administrative, and governance processes through technology-driven solutions.

### ◆ Day 1 | 15 December 2025

#### Faculty & Staff Enablement through Digital Systems

The first day focused on empowering faculty members and staff with hands-on training on key academic and institutional ERP modules, including:

- ✓ Single Sign-On (SSO) & AI-enabled Chatbot
- ✓ Student Information Management System (SIMS)
- ✓ HR Module
- ✓ Document Management System (DMS)
- ✓ Digital Repository
- ✓ Case Research & Publication Management
- ✓ Ticketing System
- ✓ Clubs & Student Activities Management
- ✓ Portal Management & Discussion Forums
- ✓ Assistant Management

## Day 2 | 16 December 2025

### Administrative Operations & Hands-on Implementation

The second day will emphasize on strengthening administrative efficiency through focused training on:

- ✓ Hostel Management System
- ✓ Administration Management System
- ✓ Visitor & Booking Management
- ✓ Legal Advisory Module
- ✓ Alumni Management
- ✓ Hands-on Training of Trainers

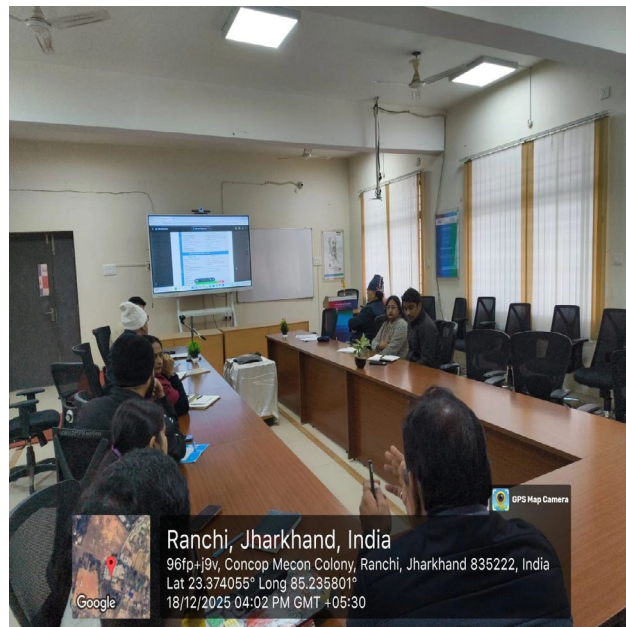

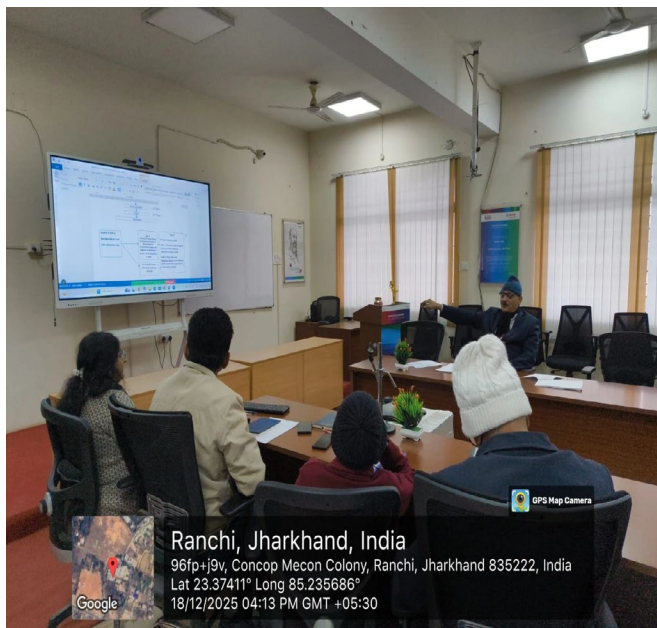

By integrating advanced ERP capabilities with intensive capacity building, ICFAI University Jharkhand aims to streamline academic workflows, enhance administrative efficiency, improve data security, and foster a collaborative digital ecosystem across the campus. The Training of Trainers (initiative further ensures sustainable implementation and long-term digital adoption.

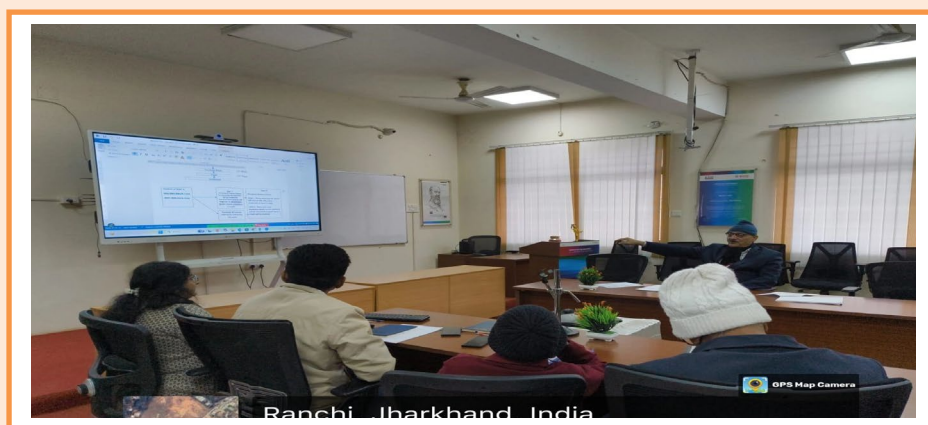

With this initiative, ICFAI University Jharkhand reaffirms its commitment to embracing the latest technologies, delivering an enriched learning environment, efficient service delivery, and an integrated platform supporting teaching, research, publication, and campus life.

Building a smarter, connected, and future-ready university

## 8 th Board of Studies (BoS) Meeting held at ICFAI University Jharkhand.

The deliberations and approvals made during the meeting mark a significant milestone in strengthening the academic framework and future readiness of the University. The key discussions and their academic significance are outlined below

1. Inclusion of Innovation, Incubation, and Entrepreneurship as a compulsory course in UG programs and proposing its syllabus.
2. Inclusion of Universal Human Values in the curriculum and proposing its syllabus
3. Approved discussions on the Entrepreneurship course under the Wadhvani Foundation's IGNITE Program.

These curriculum inclusions and revisions position the ICFAI University Jharkhand to achieve academic excellence by aligning programs with industry linkages, fostering innovation and entrepreneurship, integrating ethical and value-based education, strengthening industry linkage through the IGNITE Program, and ensuring a future-ready, holistic, and outcome-oriented academic framework.
