

Research and Academics

The Research Advisory Committee (RAC) meeting of ICFAI University Jharkhand was held on 29 January 2026 at 4:00 PM under the chairmanship of the Hon'ble Vice Chancellor.

The meeting focused on the approval of the concept note for guidelines on Sponsored Project Research and Consultancy (SPRAC) and the approval of the RAC Committee along with its roles and responsibilities. The discussions emphasized strengthening the University's research and consultancy framework and promoting a structured approach to sponsored projects.

The Hon'ble Vice Chancellor provided valuable guidance, reaffirming the University's commitment to enhancing research excellence and fostering a robust research ecosystem.

Innovation Ambassador (IA) Orientation Session

The Orientation Session on the Innovation Ambassador (IA) Program, organized by MIC, AICTE on 27th January 2026 at 11:30 AM, was successfully conducted as part of the weekly orientation series for Institutions' Innovation Councils (IICs).

The session provided valuable insights into the critical role of Faculty Innovation Ambassadors in nurturing innovation, entrepreneurship, and start-up ecosystems within Higher Educational Institutions. Participants gained clarity on the nomination process, the provision to nominate up to 40 faculty members annually, and the enhanced significance of student Innovation Ambassadors, whose training completion will now contribute to IIC ratings.

The orientation proved to be highly informative for IIC members of ICFAI University Jharkhand and newly joined Innovation Ambassadors, enabling them to better understand the objectives, structure, and long-term impact of the IA Program. The interactive discussions helped align institutional efforts with the national vision of fostering innovation-driven campuses.

✦ The session reaffirmed the commitment of IIC members to act as catalysts of change—mentoring young innovators, strengthening start-up culture, and contributing meaningfully to India’s growing innovation ecosystem.
