The banner features a yellow background with a blue border. At the top, the university's name and tagline are displayed. The central text announces the 5th Convocation 2024, dated 21st March 2025, with the Hindi title 'दीक्षान्त समारोह'. A graduation cap icon is placed above the year. The bottom section shows a silhouette of graduates in caps and gowns, with a blue and red footer containing contact information.

Convocation is a significant academic ceremony that marks the culmination of students' hard work and dedication, celebrating the successful completion of their academic programs. For students, it is a moment of pride and achievement, symbolizing the transition from learners to professionals ready to contribute to society. It reinforces their academic identity and inspires future endeavors. For faculty, convocation is a moment of fulfillment and reflection, recognizing their role in nurturing talent and shaping futures. It also strengthens the academic community by honoring collective efforts and institutional success.

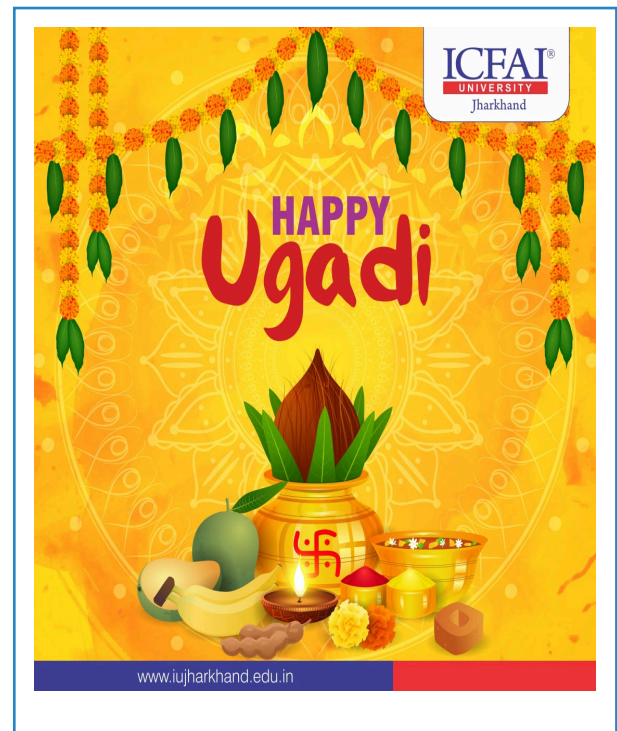

The 5th Convocation of the ICFAI University, Jharkhand conducted at Ranchi Smart City Corporation Limited (RSCCL) Auditorium, JUPMI Building, 4th Floor, Plant Plaza Road, HEC, Dhurwa, Ranchi.

His Lordship Justice M.S. RAMACHANDRA RAO, Hon'ble Chief Justice of High Court of Jharkhand presided over the convocation and was the Chief Guest. During the Convocation, the University has conferred a total 231 degrees to students who graduated in the academic year 2023-24, which includes 15 PhDs, 9 gold medals and 9 silver medals. They were awarded to the top rankers and second rankers of the various programs, respectively. Welcoming the audience to the convocation, Vice-Chancellor of ICFAI University Jharkhand Col Dr. Ranjit Singh first thanked Smt. N Shobha Rani Yasaswy, Chairperson, ICFAI Society, President Shri V R Sankara along with the former Vice-Chancellor Prof (Dr.) ORS Rao and our dynamic Chancellor Prof. (Dr.) TRK Rao and all ICFAI Family members. "He said, "Our University has been putting in concerted efforts to groom the students in all fields like Science & technology, Innovation, Research, Legal practices, extra co-curricular activities etc. so that they can excel in all fields apart from the their regular academic performance. He said that university will take all the challenges to provide quality education as well as skill based education to our students so that they are become job creator not job seeker.
