### Students of ICFAI varsity allocated On-line Summer Internships in Industry

**RANCHI:** Students of ICFAI University, Jharkhand were allocated Online Summer Internships in Industry, which will start during current week. Over 50 organisations from various industries offered online internships to the students. They include reputed companies like Aircrews Aviation , Central Coalfield(GCL), Dalmia Cement , McNally Bharat , Niladvantage Technologies, Pepsico, R.V. Web, Shriram Life Insurance, Surya International, Technest, Toppr Technologies, Vedantu, VOLT Technologies, Whitehat, WISEDGI, etc. A number of IT Companies, leading advocates, legal services and legal Tech companies also offered online internships to the students of the University.

Addressing the students on the eve of induction workshop, Prof O R S Rao, Vice-Chancellor of the University said, "All students of our programs, including Law students, are required to do Summer Internship Project (SIP) in industry under the guidance of faculty members and company guides and submit a report, which is evaluated by the University. Due to the COVID-19 Pandemic, we have arranged Online Internships so that they do not miss the opportunity for acquiring hands-on skills through industry exposure". "Purpose of the induction workshop is to train our students on Digital Skills so that you can do the Internship in the new digital work environment. This will prepare you to be successful in the new normal. Besides adaptation to the technology, Digital work environment expects to be more disciplined, added Prof Rao.

Prof Arvind Kumar, Registrar of the University advised the students to strictly adhere to the guidelines of SIP Handbook that was released today. Faculty Members and Students of the university participated in the workshop.
